

Salkehatchie online registration is now open. The dates are **June 11-18** and we will be attending the Lancaster Camp. Cost is \$230 per person. Must be 14 years old by the start date of camp. Please register no later than May 1.

The weekday children's ministry at FUMC is growing and we are looking to add a **part-time** (15-20 hours per week) **Childcare Attendant** to our preschool program. This person will need to have experience in lesson planning and leading classroom activities in a childcare setting. If you know someone, please have them send a resume to jobs@fumconway.org.

The new **2016 Flower Calendar** is posted in the Narthex. Please take a moment to reserve dates that are important to you or your family. Altar Flowers are not a budgeted item. They are gifts to the church by those who graciously sign up. **Flowers for May and June are especially needed.**

We encourage you to make use of our online giving option. Please scan the QR code with any smart phone or iPhone to navigate to the *secure* ACS account for FUMC and make your donation.

Please pardon our mess! The Trustees are busy at work this Spring with the replacement of the roofs at the FLC, Sanctuary, Education Bldg., and Fellowship Hall along with repairs to the Hut Chapel roof. Numerous leaks and aging roofs are being replaced as the Trustees strive to maintain our campus. Be careful in the parking lots for spare roofing nails!

IMAGINE NO MALARIA

The people of The United Methodist Church

An extraordinary ministry of the people of the United Methodist Church, putting our faith into action to end preventable deaths by malaria in Africa. This preventable and treatable disease, transmitted through the bite of a mosquito, claims nearly 500,000 lives a year. *Imagine No Malaria* is an initiative of the United Methodist Church to raise \$75 million to end preventable deaths from malaria in Africa. The South Carolina Annual Conference has pledged \$1 million. Throughout the month of April, FUMC will be receiving donations towards this campaign to end Malaria in Africa. Please give.

...They Have to Be Driven

Students meet at the church to load up and go to an "unknown destination" where they will experience worship, have a lesson, or play a game to put them right into a Bible story.

Think of these as grown-up object lessons that bring the Bible to life for students. A drive of just a few minutes can engage & affect your youth group in settings such as – a river bank, a clock tower, or maybe a jewelry store.

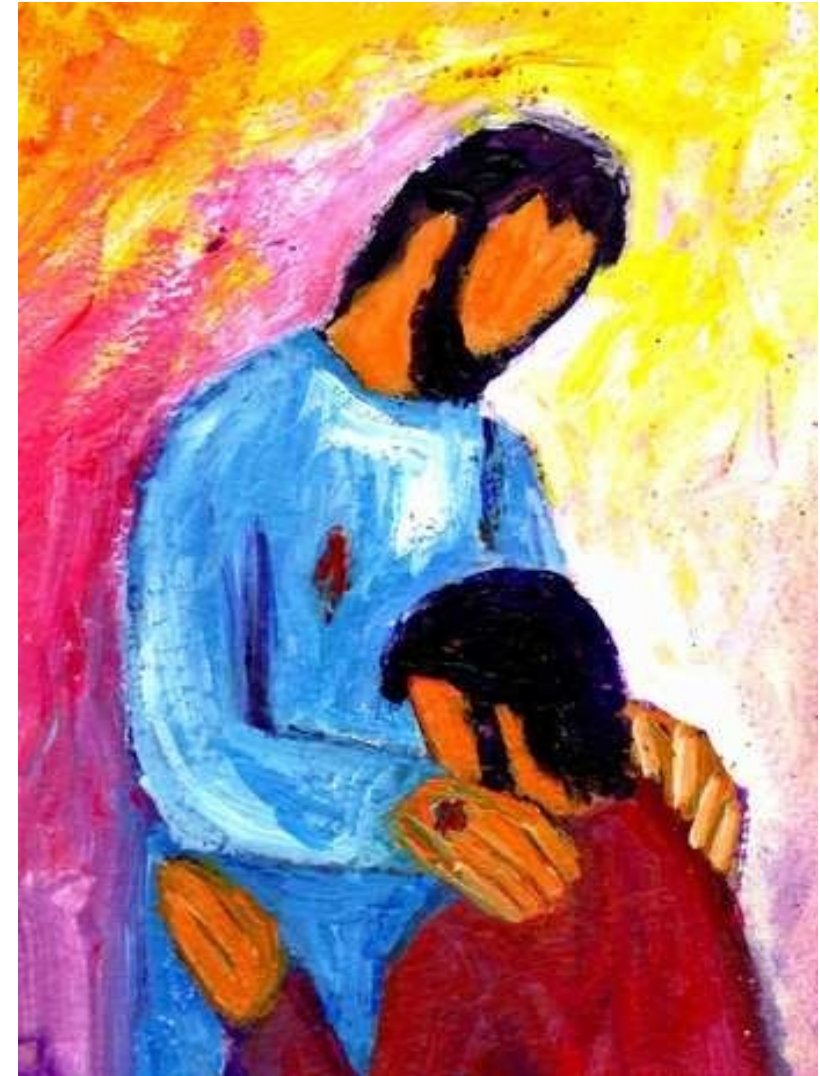

Praise the King

Sunday, April 24 @ 5:00 p.m.

Sanctuary

A concert of Duos for Two Pianos with congregational hymn singing. Billy Fallaw and Susan Cadwell, pianists.
