UMYF During April

SOME TEENS
CAN'T BE LED

...They Have to Be Driven

Students meet at the church to load up and go to an "unknown destination" where they will experience worship, have a lesson, or play a game to put them right into a Bible story.

Think of these as grown-up object lessons that bring the Bible to life for students. A drive of just a few minutes can engage & affect your youth group in settings such as – a river bank, a clock tower, or maybe a jewelry store.

Please pardon our mess! The Trustees are busy at work this Spring with the replacement of the roofs at the FLC, Sanctuary, Education Bldg., and Fellowship Hall along with repairs to the Hut Chapel roof. Numerous leaks and aging roofs are being replaced as the Trustees strive to maintain our campus.

Donation of Eye Glasses and Cases. Our church has been collecting used eye wear and cases in support of the good work of United Methodist Volunteers in Missions (UMVIM) for many years. We confirmed through our point of contact in Batesburg that the need still exists for used eye wear and cases. We will be making a shipment to that Point of Contact on April 25th. The need is ongoing and there will be future shipments. If you can help, please leave your donations in the Mission Area of the Commons of the church. Thanks.

Please leave donations in the Missions Corner of the Commons.

June 13 –17 **JURASSIC PARK**

Dem bones, dem bones, dem Dinosaur bones!!! This week we will learn all about dinosaurs - where they lived, what they looked like, what they ate, etc. We might even learn some big words like paleontology and archeology.

June 20 – 24 **SPACE IS THE PLACE**

Let's blast off into a week of space exploration and together we will learn about the stars, the sun, the moon and planets. We'll even have a picnic and story time each day under the "starry night".

June 27 – July 1 **BUGGIN' OUT**

Bug hunts, bird houses and worm digs! Children will explore and discover all the wonderful animals around us. From bugs to birds, we will look at the special qualities they all provide for our environment.

July 5 – 8 **SPLISH SPLASH**

Get ready to splish and splash in water all week long. We will be playing water games and experimenting with water in many exciting ways. Sprinklers, water toys, and bubbles are only a few of the countless ways in which the class will experience water. Please provide your child with a swimsuit, water shoes and towel each day this week.

July 11 – 15 **OLYMPICS**

Explore and sample various sports through cooperative and interactive play. Learn the rules of the game in a non competitive atmosphere while working on teamwork and taking turns.

July 18 – 22 **iPHONE MOVIE MAKER**

Let us handle the "drama" this week as your little ones explore how movies are made. We will be using our iPhones and iPads to do the filming and iMovie will be available for the older kids to edit their own movies. This week will also include a trip to the free movie at Market Commons.

July 25 – 29 **SUPERHEROS & SUPERVILLIANS**

Step into a world of science fiction, myth and mayhem. Dress as your favorite superhero or make up your own. We will also use this week to learn about some of the real heroes in our community.

First View

 **The people of The United Methodist Church®**

An extraordinary ministry of the people of the United Methodist Church, putting our faith into action to end preventable deaths by malaria in Africa. This preventable and treatable disease, transmitted through the bite of a mosquito, claims nearly 500,000 lives a year. The South Carolina Annual Conference has pledged \$1 million. Throughout the month of April, FUMC will be receiving donations towards this campaign to end Malaria in Africa. Please give.
