Hands!

A basketball in my hands is worth about \$19.
A basketball in Michael Jordan's hands is worth about \$33 million.
It depends whose hands it's in.

A baseball in my hands is worth about \$6.
A baseball in Roger Clemens' hands is worth \$475 million.
It depends on whose hands it's in.

A tennis racket is useless in my hands.
A tennis racket in Andre Agassi's hands is worth millions.
It depends whose hands it's in.

A rod in my hands will keep away an angry dog.
A rod in Moses' hands will part the mighty sea.
It depends whose hands it's in.

A slingshot in my hands is a kid's toy.
A slingshot in David's hand is a mighty weapon.
It depends whose hands it's in.

Two fish and 5 loaves of bread in my hands
is a couple of fish sandwiches.
Two fish and 5 loaves of bread in Jesus' hands will feed thousands.
It depends whose hands it's in.

Nails in my hands might produce a birdhouse.
Nails in Jesus Christ's hands will
Produce salvation for the entire world.
It depends whose hands it's in.

As you see now, it depends whose hands it's in.
So put your concerns, your worries, your fears,
your hopes, your dreams,
your families and your relationships in God's hands because...
It depends whose hands it's in.
