As a congregation, First UMC is blessed in the generosity of our members who go above and beyond in giving to the variety of missions and special projects that we have been invited to support. This generosity is an example of the "spirit" we as Christians strive to embody. As we move into the summer season, we remind you of the importance of giving especially in our regular tithes and offerings in order to fully fund the ministries of our church. We all benefit from our facilities, the variety of wonderful ministries and programs and our dedicated staff. Each of us has entered into a covenant with God to support the church with our prayers, our presence, our time, our witness, and our gifts. Let us be faithful to God in fully supporting the mission and ministry of First UMC.

As an added convenience, we encourage you to make use of our online giving option especially as we approach the summer travel season. Please scan the QR code to navigate to the *secure* ACS account for FUMC and make your donation. You may also visit the website at: [www.fumconway.org](http://www.fumconway.org) and follow the "online giving" link to make a donation.
