First United Methodist Church Updated COVID-19 Guidelines

Throughout the past year, our highest priority has been to ensure the health, safety, and well-being of our people, with particular concern for the most vulnerable. We believe it is also our collective responsibility as Christians to be good neighbors in our community. Each of us share responsibility for the safety and security of the congregation. With updated guidance from the office of Jonathan Holston, resident Bishop of the South Carolina Annual Conference of the United Methodist Church, the Church Council of First United Methodist Church has updated our COVID-19 guidelines and protocols effective immediately. These updated changes reflect our next steps.

- Masks are no longer required inside the buildings or for worship. We continue to encourage persons to wear masks especially those who have not been vaccinated or are at risk.
- We will continue to offer two Sunday morning worship services for the present time at 8:15 and 10:30.
- As we welcome all persons to in-person worship, the 10:30 am service will continue to be available via live-stream weekly on our Facebook and YouTube channels as well as our website.
- Hymnals will be available in the Narthex for those who would prefer to use them. The lyrics to hymns, liturgy, and scripture will continue to be offered in the worship leaflet.
- We will continue to practice social distancing in the sanctuary with every other pew. As your pew may become filled, we simply ask you to be respectful of the persons sitting with you towards distancing. Ushers may open pews as needed.
- Please stay home if you feel sick.
