activities. We had 70+ children participating with over 30 adult volunteers teaching, cooking, leading and guiding. A huge thanks to Mr. Tim for overseeing it all!

A huge thank you to the many children and adults who participated in this year's VBS. We journeyed with Moses and the Israelites as they left Egypt for the Promised Land. Each night the children took part in the journey traveling to the market along the way to experience life in the wilderness—making butter (this year's highlight!), weaving, making sandals, camel bells, rope making, among other

A Bit of Trivia!

Each Sunday, after our scripture readings, the lector or reader calls out "The word of God for the people of God." We all respond "Thanks be to God." Did you ever wonder why we make this proclamation? We are invited to welcome the words proclaimed by God's messengers. The church acclaims that the Bible is the true word of God and the reader has indeed been sent by God to proclaim the word of life in our worship.

Dear Friends: During the month of May, CAP served 987 families and provided food for 18,756 meals. With school out for the summer many families will be without the assistance of school lunches as well as "Back Pack Buddy" food for several months. Food prices seem to rise daily and we expect, as in past years, that the need for food from the CAP pantry will increase over the summer.

The need for funds to assist families with utility bills and other necessities continues. We are able to help those in need because of donations like yours and it is **very much appreciated!** Thank you for your continued support of CAP. Sincerely, Gail Steinfield, Executive Director.
