A time for picnics and rest in the shade...

Lord,  
help me to rest awhile in the cooling shade

Slow down my restless heart and fill me  
with gentle compassion for all your people.

Amen.

## A Pastoral Letter from Your Bishops to the People of The United Methodist Church

Today a humanitarian crisis is unfolding on the southern border of Texas with the arrival of tens of thousands of unaccompanied children. As the Bishops of the United Methodist Conferences of Texas, we call on the people of The United Methodist Church to:

Pray regularly for the physical, emotional and spiritual well-being and healing of these children and families, wisdom for our government officials, and peace for the countries from which these children have come;

Work with faith and community leadership to provide housing, life necessities, pastoral/spiritual care, and as stable an environment as possible for these children and families while their long-term status is being resolved;

Be attentive to seeing Christ in the faces of these children;

Be alert for specific opportunities to offer ministries of compassion and care, which we will share as needs emerge.

In the words of John Wesley, founder of the Methodist movement, "Do all the good you can by all the means you can in all the ways you can in all the places you can at all the times you can to all the people you can as long as ever you can."

Bishops Earl Bledsoe, Mikel Lowry, Janice Huie, and Jim Dorff
