The Holy Bible

We believe the Holy Bible, Old and New Testaments, reveals the Word of God so far as it is necessary for our salvation. It is to be received through the Holy Spirit as the true rule and guide for faith and practice. Whatever is not revealed in or established by the Holy Scriptures is not to be made an article of faith nor is it to be taught as essential to salvation.

- Be sensitive to the parking needs of those who have issues related to mobility (especially older members and families with infants)
- Expect the unexpected – Be flexible and we will adapt as needed to make adjustments
