A Day's Wages has a Lifetime Value!

When the annual Work Day Offering began so many years ago, the idea was for the Methodist people of SC to give one day's wages to the ministry to help provide CARE for the children who call Epworth home. In our busy, bank draft and electronic deposit world we don't always know what a day's wages mean, but for Epworth they mean loving staff, quality health care, tutoring sessions and fun activities for the children who call Epworth home. Epworth receives only 10% of its budget from the government. Faithful Methodists from the past and present provide the remaining budget to live CARE for the more than 75 children currently living at Epworth. As you consider what God is calling you to give to support our church's ministry to children through Epworth Children's Home consider giving a day's wages. For more information about Epworth Children's Home, visit them on the web at www.epworthchildrenshome.org.
