Ten Apples

Those who oversee the finances for the church often ask, "What does God want to do through us in the next year with the resources that have been committed to God?" Let's consider the story of the ten apples. God says nine of the apples are yours to take care of your family, to clothe yourselves. Use them for food and for shelter and set some aside for retirement, give some away to your friends, and some are to be used for the poor and for pleasure—trips and vacations. You've got nine apples, but the Lord says, "One of them is mine. And it's meant to be used, first of all, as a way for you to express your praise and love for me. I will use it to accomplish my mission in the world."

But many of us feel pulled in many directions—that nine apples are not enough anymore. We begin to borrow from the Lord's apple. After all, God won't mind if we take just a little bit. But before long, a little bit becomes a little more and a little more until there's not much left—of the Lord's apple. We say, "Well, Lord, this is your part." God says, put aside the Lord's apple first—give of your first fruits to me."

Today is Consecration Sunday. In our worship service, we will have the opportunity to consecrate our personal commitments for the coming year. You should have received an estimate of giving commitment card in the mail for 2014. If you did not receive one or you forgot to bring it with you today, additional cards are available in the Narthex. We invite you to prayerfully consider what your offering to God through our church will be in the coming year, fill out a card, and bring it forward during the Hymn of Response.

Our anticipated budget for 2014 that will be presented to the Finance Committee and to Church Council is \$488,000. This includes a 3 % increase from 2013 that takes into effect increased costs in property insurance and utilities. Once the budget is presented and approved at the Church Council, copies will be available for the congregation. Just as you plan for a personal budget with knowledge of your income for the coming year, we too plan based upon your commitments. We pray that you will consider this in bringing forth an estimate of giving card.

First View

Super Typhoon Haiyan, a category 5 storm-and perhaps the strongest storm ever recorded–swept through the Philippines on Friday, November 8, causing extensive damage, displacing at least 670,000 people, and affecting a total of 11.3 million people. Initial estimated numbers of those killed and injured by the super storm are expected to climb.

The United Methodist Committee on Relief (UMCOR) is providing emergency food, water, and water purification tablets to 7,500 individuals (or 1,500 families) in Tacloban City in Leyte Province, The city was devastated by the typhoon and many there have no access to food, water, or medicine.

Over the next two Sundays we will be receiving donations to the UMCOR initiative. Please note on your check on or envelope "UMCOR." 100% of funds given goes directly to aid the victims of the typhoon. FUMC has already received a generous gift, will you also give generously?
