Renovation Update

In an effort to help everyone stay informed regarding renovation activities, please make note of the following:

- We are now worshipping in the Fellowship Hall and we plan to remain there through the end of this year
- Dangerous construction areas will be marked for your safety. Please stay in designated areas
- The back parking lot is closed.
- There is a link on the church's home page to a photo album of the renovation progress.
- FLC Doors have been equipped with Key Pad Entry. The Codes are the same except you must press the star key (*) at the end.
- Be sensitive to the parking needs of those who have issues related to mobility (especially older members and families with infants)
- Expect the unexpected – Be flexible and we will adapt as needed to make adjustments

Last Week:

- Flooring in the pulpit and choir areas has been prepped and is being stained
- Roof installed on the elevator, elevator rooms and elevator lobby
