

Outreach Projects Status: February 5

Used Books

The lack of books for children in many homes is a major need. We will be collecting books for children and adults that will be donated to at least two elementary schools and the local library or literacy projects. This outreach project will be our focus for the month of February and will end March 11.

Help4Kids "Snack Paks" Collection

Every week, Help4Kids provides over 2200 "Snack Paks" for needy children in Horry County. Items usually included are **individual size cans of Vienna Sausages and Beanee Weenees!** The collection of those two items will run from February 19 to March 18. (Please note: this collection is in addition to the ongoing food collections for CAP.) Monetary contributions are being accepted for the Help4Kids project. Be sure to mark your check or envelope "Snack Paks" project.

Ongoing Collections

We are adding two new items to our collections list: used cell phones and empty ink cartridges will be given to the Waccamaw Youth Center.

Items now being collected include:

- † Used Cell phones
- † Empty Ink Cartridges
- † Used Prescription Glasses & Sun Glasses
- † Box Tops for Education
- † Labels for Education
- † Cash donations for CAP

Churches Assisting People Annual Report

For 2011, the needs of people in Conway and Horry County continued at very high levels compared to previous years. Over **11,000 families** applied for assistance during the year. Enough "Emergency Food" (3-day supply) was distributed to provide the equivalent of **269,813 meals**. In addition to food, many families were assisted in paying for utility bills, lodging, rent, medicines, and miscellaneous expenses. CAP was selected to be the major agency for the annual United Way volunteer work project during September. The entire first floor of the CAP building was renovated to improve storage space and offices and to improve efficiency of operation. You are welcome to visit the CAP building to see these changes. **"Thank You"** to all of the groups and individuals that contributed money and food to CAP in 2011.
