

# Outreach Projects Status: January 8

## The Shoebox Project

We have been notified that some of our donated shoeboxes have been shipped to Honduras, Ghana, Central Asia and Kazakhstan. "Thank you" again to those that participated in this far-reaching project.

## Christmas Decorations

We received enough "New or Used" Christmas decorations to fill **three vans** including **four large** artificial Christmas trees! An amazing response to the simple need of having a tree with beautiful lights and shiny ornaments for what otherwise would have been a not-so bright Christmas.

The children and their families from Help4Kids are very grateful. "Thank you!"

## Christmas Poinsettia Child Christmas Project

Waccamaw Youth Center (WYC) and Help4Kids were the two beneficiaries of these projects. **Over \$2100 was donated!** The WYC received stainless-steel eating utensils, reusable plastic plates and bowls, movie vouchers and Walmart gift cards. Help4kids received 675 lbs. of rice, 400 lbs. of dried beans and 120 chickens. Again, "thank you" for your charity.
